

Manish Sharma

Chief Information and
Security Officer

Manish plays a key role in leading Aurigo's initiatives in digital resilience, engineering excellence, and secure scale, especially as trustworthy AI becomes central to Aurigo's our product strategy. Before joining Aurigo, he held several leadership positions at Hewlett-Packard and Alcatel-Lucent. Manish holds a bachelor's degree in computer engineering from Rajasthan University and has completed executive education at the MIT Sloan School of Management.
